2ND WORKSHOP
“Use of In-Process Quality Control (IPQC)
Equipments in the Pharmaceutical Sector”

Teguh Pharma (M) Sdn Bhd in collaboration with Pharmatron AG (formerly known as DR. SCHLEUNIGER Pharmatron) would like to welcome you to our workshop on the “Use of IPQC Equipments in the Pharmaceutical Sector” to be held at

**Teguh Pharma Training Centre, 1st Floor,
No. 38-1, Jalan USJ 1/1B, Regalia Business Centre,
UEP Subang Jaya, 47620 Selangor.**

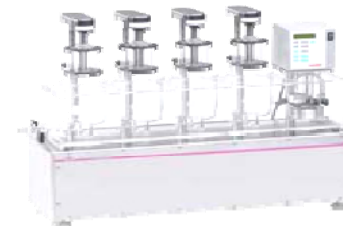

On
MONDAY, 1st NOVEMBER 2010

The workshop will focus on the demonstration of the *new* Tablet Hardness Multi Tester, Disintegration Tester and *new* Auto Test 4.

This is an excellent opportunity for all participants to explore and gain additional knowledge in the use of these latest equipments for quality control purposes.

Lunch and refreshments will be served during the workshop.
